

Emergency First Aid at Work (EFAW)

The Emergency First Aid at Work Level 3 qualification is ideal for most businesses whose risk assessment identified they require an individual to act as an emergency first aider in their workplace.

Upon successful completion of this qualification, candidates will be equipped with the essential skills needed to give safe, prompt and effective first aid in emergency situations.

The syllabus includes:

- Role of the First Aider
- First Aid Equipment
- Adult Basic Life Support and AED training
- Scene Safety
- Trauma management
- Manage catastrophic bleeding
- Environmental emergencies
- Health and Safety Regulations
- Medical emergencies

Duration: 1 day.

Entry Criteria: No prior qualifications required.

Certification: EFAW Level 3. Valid for 3 years.
