

FIRST AID AT WORK LEVEL 3

objectives

The First Aid at Work Level 3 qualification is for nominated personnel to become First Aiders in the Workplace to comply with the Health & Safety (First Aid) Regulations 1981.

This course will enable students to get help and give safe, prompt and effective First Aid to a casualty in the workplace following an injury or illness using materials to hand and HSE approved first aid equipment.

Certificate lasts for three years. Two day requalification option available. The FAAW can also taken as blended learning training course. One day completed online, two days face to face.

The HSE recommend annual refresher training to avoid skills fade. We offer free training on all FAAW and Paediatric courses.

Also available as Equine and Forestry specific.
