

FIRST AID AT WORK REQUALIFICATION LEVEL 3

objectives

The First Aid at Work Level 3 qualification is for nominated personnel to become First Aiders in the Workplace to comply with the Health & Safety (First Aid) Regulations 1981.

This course will enable students to get help and give safe, prompt and effective First Aid to a casualty in the workplace following an injury or illness using materials to hand and HSE approved first aid equipment.

Our first aid at work requalification training course is designed to 'refresh' existing first aiders and gives candidates the opportunity to learn up-to-date best practices

Also available as Equine and Forestry specific.
